P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

On December 4, 2006, Applicant submitted several documents for this application electronically using the correct serial number for the application. The documents could subsequently be retrieved using the Private Pair system and the correct application serial number.

Notwithstanding the foregoing, the serial number on the documents themselves was incorrectly written as 10/782,698. A phone call to the Electronic Business Center on December 11, 2006 resulted in their recommendation that the documents be resubmitted electronically with the correct serial number – **but that no additional fees would be due.**

Accordingly, Applicant is resubmitting those same document electronically, but with the serial number corrected on page one of each document and, for the Amendment, in all page headers.

The corrected copies of the documents, were resigned with today's date, December 13,
